New technologies	10
Functionality	11
Customer migration	11
Security	11
Self-service strategy development	11
Conclusions	12
INTRODUCTION	13
Objectives	13
Background	13
Parts A and B	14
SECTION A: THE ROLE OF SELF-SERVICE	17
1. Absa Group, South Africa	17
1.1 Background	17
1.2 Channel strategy development	17
1.3 Self-service and outreach	19
1.4 Conclusion	20
2. Caixabank, Spain	21
2.1 Background	21
2.2 Triple bottom line	21
2.3 Delivery channel strategy	22
2.4 Focus on the ATM	23
2.5 The customer interface	24
2.6 The Punt Groc (Yellow Dot) project	25
2.7 Adding value at the ATM	26
2.8 Customer relationship development	28

2.9	Conclusion	28
3.	Credit Suisse, Switzerland	29
3.1	Background	29
3.2	Branch Excellence at Credit Suisse	29
3.3	Self-service facilities (within Branch Excellence)	31
3.4	Cash cycle management	33
3.5	Conclusion	34
4.	First National Bank (FNB), South Africa	35
4.1	Background	35
4.2	Branch led channel strategy	35
4.3	FNB and the ATM	36
4.4	The cellphone...and the ATM	37
4.5	Conclusion	38
5.	HDFC Bank, India	41
5.1	Background	41
5.2	Rapid targeted expansion	41
5.3	Delivery channel strategy	42
5.4	Focus on the HDFC Bank ATM	43
5.5	The upgraded service	44
5.6	Conclusion	45
6.	HSBC, UK	47
6.1	Background	47
6.2	The British retail business	47
6.3	Self-service at the branch	48
6.4	Conclusion	50
7.	ING Group	53
7.1	Introduction	53
7.2	The ING 'Self Bank' branch	53
7.3	ING Belgium 'Proxi' branches	54
7.4	Conclusion	56
8.	The German Sparkassen	57
8.1	Background	57
8.2	Self-service innovation across the group	57
8.3	Sparkasse Forchheim – branch of the year	58
8.4	Sparkasse Gifhorn-Wolfsburg – comprehensive self-service facilities	59
8.5	Sparkasse Herford – customer migration strategy	60
8.6	Sparkasse Berlin – self-service branches	60
8.7	Conclusion	62

9.1	Background	63
9.2	A multi-channel delivery strategy	63
9.3	The Wells Fargo ATM	64
9.4	Automated deposits through the ATM	66
9.5	Conclusion	67

SECTION B: MAXIMISING SELF-SERVICE EFFECTIVENESS	69
10. Self-service in the 'branch'	69
10.1 Introduction	69
10.2 In the branch of the future	69
10.3 New branch concepts	71
10.4 The self-service branch	73
10.5 The segmented branch	76
10.6 Demountable representation	77
10.7 Mobile vans	78
10.8 The green self-service machine	80
10.9 Securing the self-service environment	82
11. The Agile Bank	83
11.1 The future is integration	83
11.2 The use of branch 'scenarios'	83
11.3 The latest generation facilities	84
11.4 Conclusion	86
12. Self-service and biometrics	87
12.1 A maturing science	87
12.2 Finger vein identification	87
12.3 Palm vein authentication	89
12.4 Biometrics facilitating expansion	90
12.5 Conclusion	90
13. Self-service functionality and facility	91
13.1 Introduction	91
13.2 Alternative solutions – automated deposits	93
13.3 Alternative solutions – online access to accounts and other services	96
13.4 Adjacent applications	96
13.5 Self-service marketing	97
13.6 Payment cards and self-service	100
14. Effective customer migration to self-service	101
14.1 Critical success factors	101
14.2 The physical environment	102
14.3 Staff skills	102
14.4 Staff motivation	104
14.5 On the shop floor	106
14.6 Self-service capacity	107
14.7 Understanding the transaction flows	107
14.8 Access for all	108
14.9 Conclusion	109
15. The ATM Industry Association (ATMIA)	111
15.1 Introduction	111
15.2 Context	111
15.3 Security best practices guide overview	112
15.4 The checklist	113
15.5 Conclusion	115

16. Self-service strategy development	117
16.1 Strategy definition and scope	117
16.2 Knowledge based management	117
16.3 Convergence – the next challenge	127
16.4 Conclusion	129
17. Conclusions	131
17.1 Self-service and the branch	131
17.2 Emerging technologies	132
17.3 Migration to self-service	132
17.4 The final word!	133
APPENDIX 1: BRANCH TRANSACTIONS & SELF-SERVICE FACILITIES	135
A. Customer engagement	135
B. Teller Transactions	136
C. At the enquiry desk	138
D. Beyond banking	139
APPENDIX 2: CONTRIBUTORS	141
